Extension of rebrand approval for Cool Stream Premium C

Dear Mr Goltyaev

On the basis of information supplied by you and of laboratory tests at MTU Friedrichshafen GmbH approval is issued for the antifreeze coolant concentrate which complies with the requirements for the MTL 5048.

Cool Stream Premium C is approved for application in the following light metal free MTU engines.

series	model	application
2000	up to and including 06	- C&I - Oil&Gas S (dry)
4000	01, 02, 03	- Genset - C&I - Rail: only R41&R43 with light metal free radiator

Cool Stream Premium C will be listed in the next edition of the MTU Fluids and Lubricants Specification.

This rebrand approval is valid until **May 2016**.

Please contact us at least one month before this approval expires if you wish to apply for an extension.

We would draw your attention to the fact that any changes to the product whatsoever will invalidate this approval.

Yours sincerely
